

WE SHOULDN'T HAVE TO PAY FOR YOUR BRT!

Please join residents of Braddock and Duquesne and disability rights advocates to call the Port Authority out on their new Bus Rapid Transit plan.

- **NO!** to expensive, inconvenient transfers in Oakland to get downtown
- **NO!** to accessibility violations
- **NO!** to less frequent service on the 61 routes

Pittsburghers for Public Transit will be giving out free Connect Cards. The Port Authority should be making transit more accessible not less!

**THURSDAY, AUGUST 31st at 12pm
at 6th and Braddock ave in
Braddock, PA (across from the
Family Dollar)**

For more information,
